# A Quality Education

*"Education is the transmission of civilization."*  
—Will and Ariel Durant

As a graduate of Milford High School, you can appreciate the quality education that can be achieved here. We take great pride in the individual and collective success of our alumni. The challenges of providing the best possible education to our students have grown tremendously since our founding.

While no one can predict with certainty the manner in which our institution will evolve in the years ahead, we feel certain that Milford High School will continue to grow and thrive. With our progressive faculty, our devotion to meeting the needs of our students, and the generous support of our benefactors, we are well prepared to meet the challenges of the 21st century and beyond.

# Friendship

The world changes so quickly these days that it's hard to keep track. Technological advances make it easier and easier to avoid simple human contact. Sometimes you need to reach out and make a connection. Keeping in touch with friends is one of the most beneficial things you can do for yourself. Too many of us have drifted apart through the years. Family responsibilities or career advancements may have caused you to move to another city or state. Even if you've lost contact with some of your old classmates, this directory will make it easy for you to rekindle old friendships and relive the memories you shared together. So, look up a friend, pick up the phone or a pen, and get back in touch with that special person.

# The Pursuit of Excellence

*"If happiness is activity in accordance with excellence,  
it should be in accordance with the highest excellence."*

—Aristotle

*"What is our praise or pride  
But to imagine excellence and try to make it?"*

—Richard Purdy Wilbur

Excellence is something we all strive to attain—not just academically, but in all that we do. Knowing that we're doing our absolute best—professionally, personally, and in our leisure time—brings with it a priceless feeling of satisfaction and self-worth. We hope that your education here has served you as a stepping-stone to help in the pursuit of excellence throughout your life.

## Beyond the Classroom

Milford High School is dedicated to the belief that equal educational opportunity and a strong education system are essential cornerstones of a democratic society. Students choose to attend our institution for many different reasons. Their primary purpose is to get an education. Inside the classroom, the faculty dedicate themselves to creating a learning environment that inspires students to develop insight, skills and experiences that contribute to growth and development, while empowering them to make positive life choices.

However, at Milford High School, we believe education extends beyond the classroom. We support the philosophy that students achieve success through active involvement in the curricular and co-curricular aspects of student life. We accept the challenge of helping students transition into Milford High School and be successful while here, and then we assist them in their move into the world of work, service or higher education.

# Supporting Your School

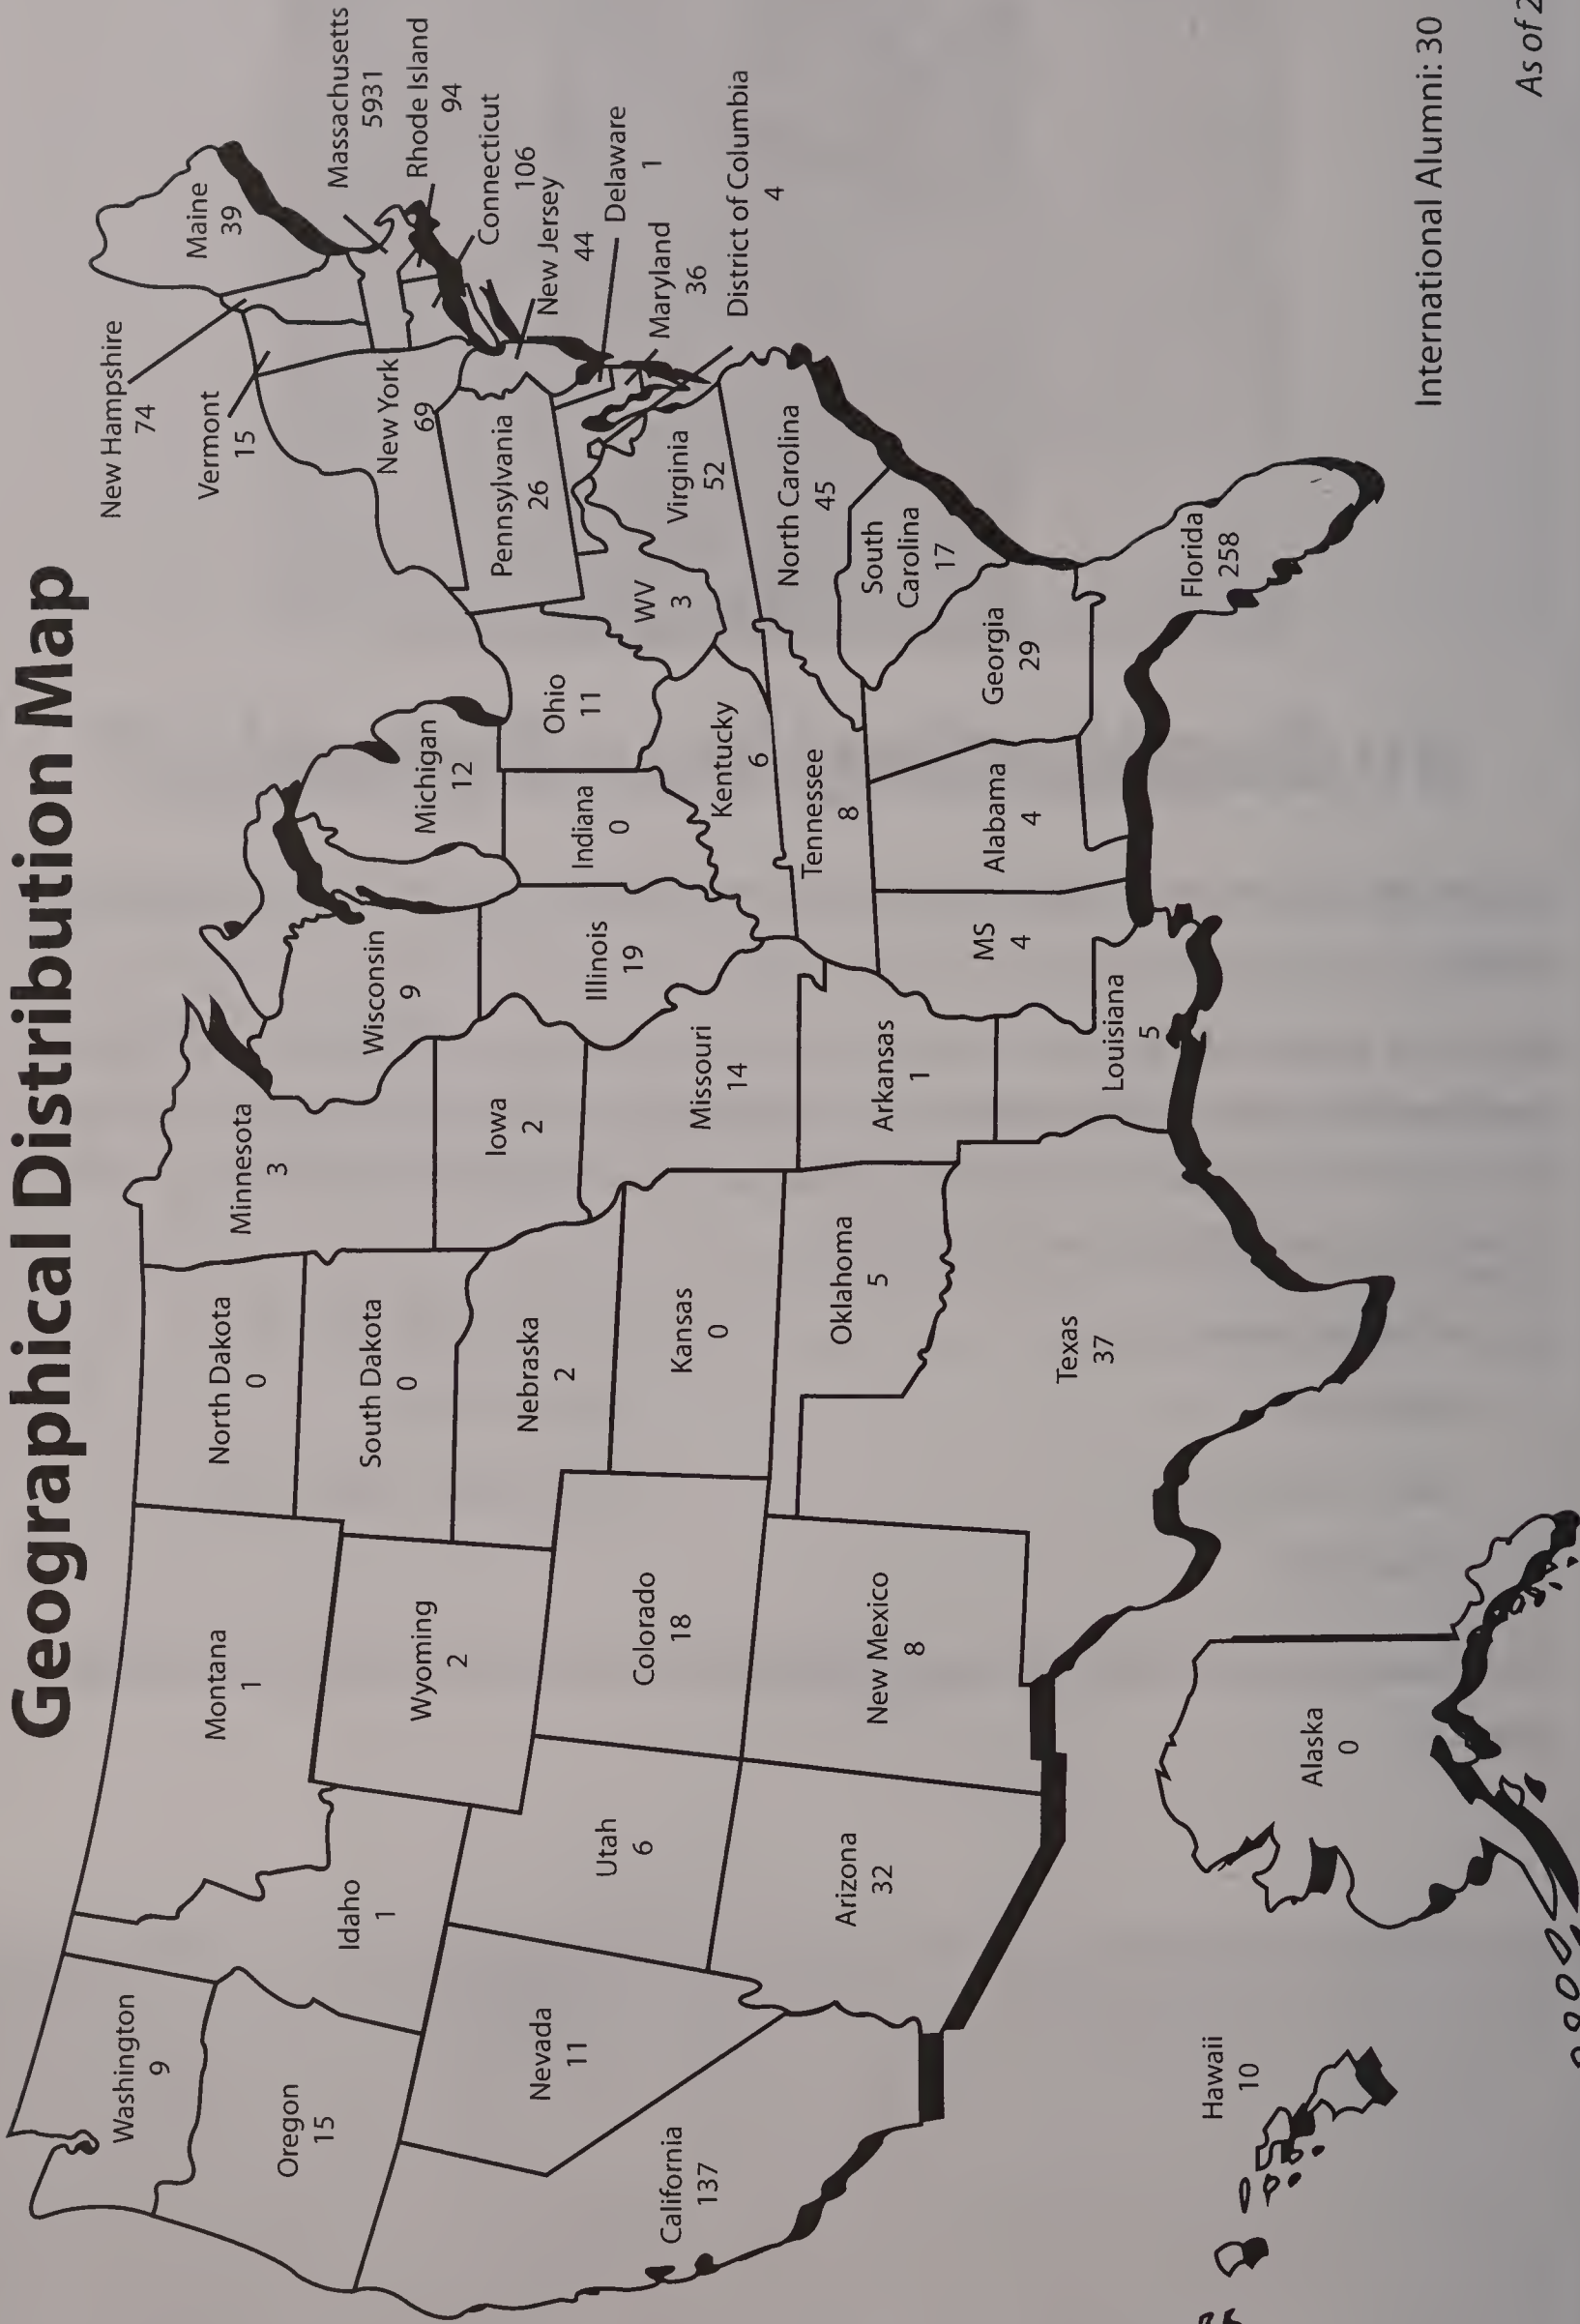

Who helps determine the quality of the education and services our institution provides? You do.

By giving to your alma mater, you have the opportunity to contribute to our ongoing tradition of excellence. Of course, the size of your gift and the way you give it depends on your personal circumstances. Here is a brief list of the various options you may consider in making a restricted or unrestricted gift:

- Annual Giving
- Property
- Wills or Bequests
- Insurance
- Charitable Gift Annuity
- Capital Giving
- Art, Antiques, Collectibles

Your contribution is important to our continued success. Thank you for your loyalty and support.
